Dear Parents/Guardians

It is time to start planning for a new year! This year the school will not be bulk ordering supplies for the Jr. High students. As students transition into Jr. High we want them to build both organizational skills and develop their own sense of self. We encourage students to take care of their supplies so that they can be used year after year. If you have any questions please feel free to contact the office at (780) 584 - 3751.

Thank You,

Jr High School Staff
