

Fort Assiniboine School

Dear Parents/Guardians

As summer begins, we want to encourage you to begin planning for our next school year. The school does not order supplies for the grade 6-9 students. School staff will work with all students to help them develop organizational habits and we encourage students to take care of their supplies so that they can be used year after year. The school will be providing day planners to assist with due dates as well as combination locks with all locker rentals (Invoices will be sent out in fall). No personal locks will be permitted.

Certain items may need to be replenished throughout the year (pencils, erasers, pens etc). If you have any questions please feel free to contact the office at (780) 584 - 3751.

Thank You,

Jr High School Staff
