Business

Online Banking & Signing Authority:

- Online Banking is all set up and signing authority is changed. Going forward we can offer e-transfer as a form of payment.

Highway Clean Up 2023:

- Highway Clean Up will be Saturday May 6th. Megan Petryshen will email Woodlands County and request Kms and will contact Alberta Transportation about the Highway 33 kms. Megan Petryshen will send information home with students the first week back after spring break then start assigning kms to those who would like to participate.

April 13 Hot Lunch:

- We will be doing a shredded pork with cheese burrito and chips, sour cream, and salsa for hot lunch. Megan Petryshen will get the hot lunch forms sent out to students the first week back after spring break.

CO-OP Gift Card Fundraiser:

- Jenny Kuelken has been working with Brittany Schuurman at the COOP to get this fundraiser going. We are hoping to start this fundraiser the first week back after spring break and run it for a few weeks.

Breakfast Club:

- The Parent Society would like to see the school's breakfast program get back to how it was before everything changed when CoVid hit. We are hoping to recruit some volunteers who are willing to help out one morning a week and get back to serving hot, nutritious, meals for the students every morning. We have been told that there is a healthy budget, so we are hoping to provide more for the students than what is currently being offered. We are going to do a few trial runs of hot breakfasts over the next few months to get the students and teachers more used to the different way breakfast will be served in the hopes of starting this full time in September. Our first trial run will be Tuesday April 18th and we will serve pancakes, breakfast sausages and milk.

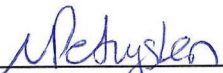

Casino July 14 & 15, 2023:

- We are still looking for volunteers to help with the casino fundraiser. So far, we have 2 people who have volunteered. We will need 8 more.

Next Meeting: Tuesday April 25 at 1:30pm
