

Fort Assiniboine School

Dear Parents/Guardians

As we wrap up another successful school year, we would like to share some information to help students prepare for the upcoming school year.

In Grades 7–9, students are responsible for purchasing and bringing their own school supplies. We have found that students are more likely to take care of and keep track of supplies when they have ownership of them. Throughout the year, staff will continue to support students in developing strong organizational skills and encourage them to look after their materials so that many items can be used for more than one school year.

The school will provide a combination lock with all locker rentals. Locker rental invoices will be sent home in the fall. Please note that personal locks are not permitted on school lockers.

Some supplies, such as pencils, pens, erasers, and other frequently used items, may need to be replaced periodically throughout the school year.

If you have any questions, please contact the school office at (780) 584-3751. We wish you a safe, enjoyable summer and look forward to seeing everyone in the fall!

Thank You,

Jr High School Staff
